Daniela Ochoa, our GRSP student from Medellin Columbia spoke to the Tucker Rotary. She is a student at Oglethorpe University this year studying industrial engineering. Daniela's parents are professionals in Columbia; her father is a Rotarian. She has a younger brother. She loves dogs, sports and she loves to travel. Soccer is one of her favorite hobbies. Daniela spoke of the peace in Columbia after 52 years of Civil War. This new hope for peace will revitalize her country. Her goals are to get to know others from other places, to develop tolerance of others, to change any negative images others may have of her country, to network and to make new friends.
