Last Week: Club Maintenance

President Renie Hallford led the Rotary Club of Tucker in a session of planning as part of the club maintenance. In the strides towards success, he asked each table group to address three questions: 1) Programs, 2) Member Participation in Activities, and 3) Ways to Develop the Club's Leadership Potential. The exercise produced several excellent ideas for the club to implement. Programs—Clark Howard, Human Trafficking, A DOT presentation, a CART presentation were some suggestions. Member Participation—develop a mentorship program for new members, and develop a passport of activities members should complete within the year. Club Leadership—orient and groom members for leadership. These are just a few highlights of this successful club assembly.

Of note this day, President Hallford and Onuzulike Nwizu went to Tucker Middle School to participate in the REACH Scholarship Program. The Rotary Club of Tucker contributed \$1,500.00 to the scholarship fund.
