From Your President

This week we welcome four new members to our club - Jerry Hicks, Cheryl Wheeler, Stuart Kersey and Tamarkus Cook. We will not have a regular speaker this week, so that we can get to know each of them without being rushed.

It's important as many of you come as possible. I understand it is summer, and a lot of folks are out of town on vacation. These four could have chosen any of the other organizations in town, but they didn't...they chose ours. Let's show them they made the right decision.

-Joe

Committees

Start thinking about what committees you want to be on. We will go over which ones need populating, and how it can fit into your schedules. Committees are Membership, Service Projects, Foundation, Programs and Fundraising. I'd like for a couple of members to step forward to chair two specific projects - Meals on Wheels and The Howard Warner Playground.

Of all the things you're worried about, all the things you're afraid *might* happen...the choice you have to make isn't really about that particular fear. The choice is whether or not you're going to live in fear the rest of your life.
