Football

George Will on WSB Radio, Atlanta:

Caller: "What do you think about football?"

Will: "Football is a mistake. It combines the two worst elements of American life. Violence and committee meetings."

This Friday, we'll get an update on all things football at Newnan and East Coweta. This is always a popular program, so come early...catfish and canned corn will be in short supply.

Committees

Everyone should be on a committee. Everyone. We have education (youth), membership, fundraising, special projects, fireworks, foundation, programs.

Pick one and go with it. We'll have sign-ups every 12 months, so you can all get a taste of each of them. Sign up sheets will be in the back.
