Upcoming Programs

August 18

Newnan-Coweta Young professionals association and Coweta Community Foundation

August 25

Heritage School and Northgate High School football coaches will give us an update on their programs.

September 1

Dr. Kevin Freeman, Grace Harbour. ADD/ADHD and medication. Ask an expert on this sometimes confusing diagnosis.

The Chamber recently created a "Young Professionals" group designed to engage younger professionals in the Coweta community. They will tell us a little about their organization, and we will see how our club might team with them in creating our satellite club downtown.

We'll also get an overview of the Coweta Community Foundation, and what they've been up to recently.

Should be a good program!

NEW MEMBERS

We have quite a few new members coming in. We are proud they decided to join our club, and we have a duty to them to provide continuing service opportunities in Coweta.

Please take a moment to say "hello" to each of them, and ask them to join you at your table. Get to know them. Make them welcome. Then, let's get to work helping our beloved community grow.

"The first question which the priest and the Levite asked was: 'If I stop to help this man, what will happen to me?' But...the good Samaritan reversed the question: 'If I do not stop to help this man, what will happen to him?'"
